

First Diploma in Art and Design (Level 2)

This is a one year applied course which will offer you the opportunity to work in a wide variety of art and design materials, techniques and processes. Students will explore different areas of the subject drawing, painting, 3D design and sculpture, textiles design and mixed media. All practical work is supported by research in sketchbooks and written coursework. You will have the opportunity to work alongside artists and other industrial professionals as you study.
